Selective Call Appearance

Description

Accept calls when pre-defined criteria, such as phone number, time of day or day of week, are met.

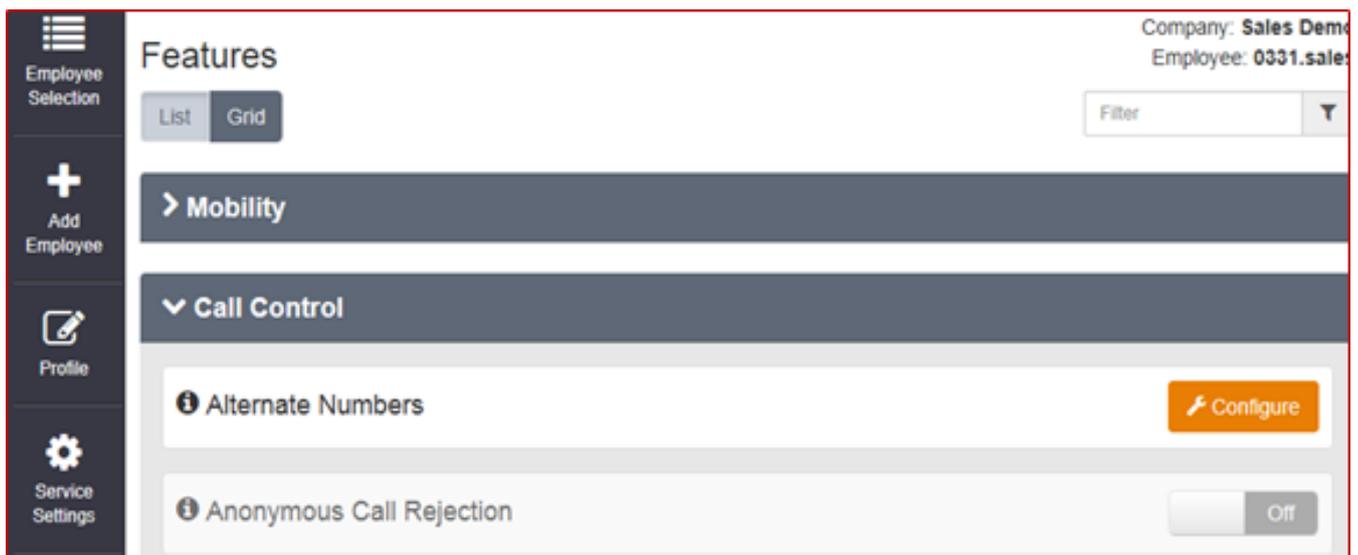

Function

Selective Call Acceptance allows you to receive only calls that meet your pre-defined criteria. The criteria for each Selective Acceptance entry can be a list of up to 12 phone numbers or digit patterns, a specified time schedule, and a specified holiday schedule. All criteria for an entry must be true for you to receive the call.

Configuration/Operation

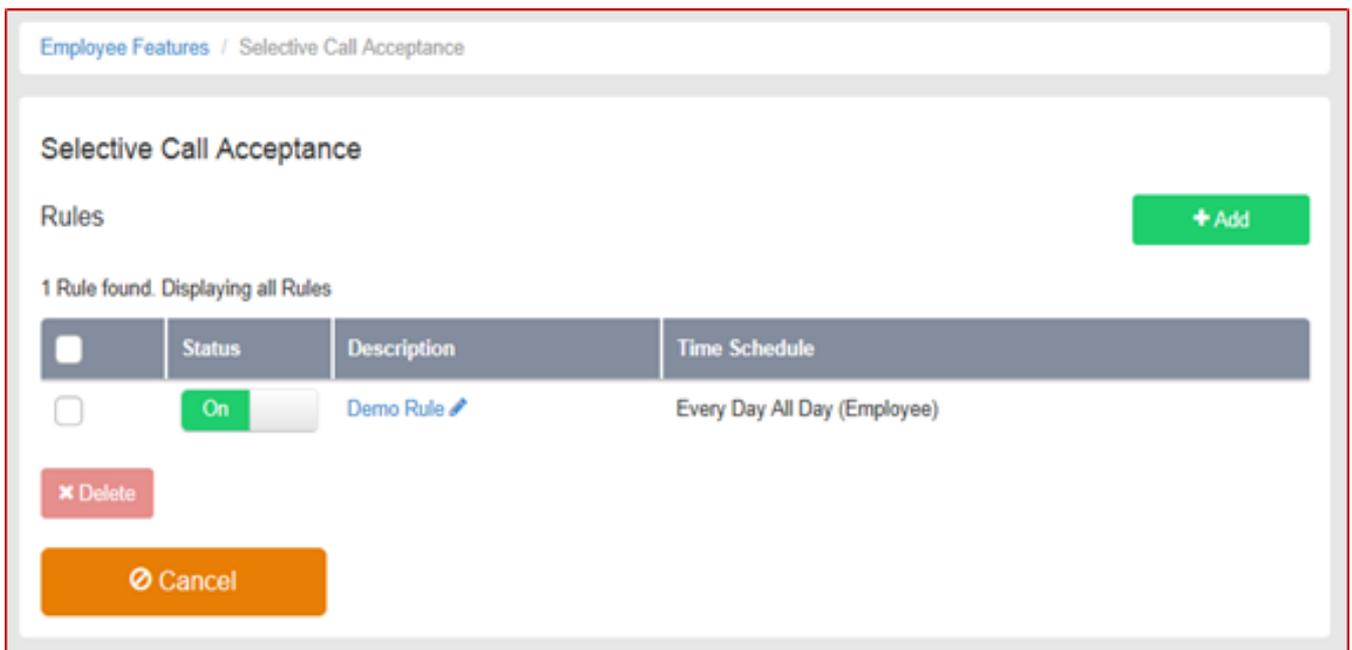

In The Business Port navigate to:

- Employees > Features > Call Control > Selective Call Acceptance

- Select 'Configure'

- To Add a New Rule Click 'Add'
- To edit an existing Rule select the Rule under the 'Description' Heading.
- To Delete a rule select the right hand tick box and click 'Delete'
- To Delete all rules select the right hand tick box in the header bar and click 'Delete'
